Dear Mr. Huerta:

This will acknowledge receipt of your letter dated November 9, 2016 written in response to the Maryland Department of Transportation's Aviation Administration's (MAA) letter sent on April 25, 2016.

As advised by numerous Federal Aviation Administration (FAA) representatives, the MAA has worked together with the FAA, state and local officials, and airport users to identify a diverse stakeholder group to form a Roundtable. We are pleased to report that the task has been accomplished and the Roundtable held its first meeting on March 21, 2017. The Roundtable, now identified as the DC Metroplex BWI Community Roundtable (Roundtable) has approved its Charter, elected a Chairman and Vice Chairman and adopted their first resolution which is being transmitted to you with this letter.

They have also requested that you and other senior officials of the FAA participate in its next meeting on April 18, 2017 to: (1) respond to the resolution, and (2) provide a review of stakeholder feedback from the October 27, 2016 public meeting. Included in this transmittal is a copy of their Charter and Roundtable members.

We look forward to working with you and the Roundtable for a positive resolution to these issues. Please feel free to contact me if you have any questions at 410-859-7060 or at rsmith4@bwiairport.com.

Sincerely,

Ricky D. Smith, Sr.
Executive Director/CEO
